Grenoble / Paris en moins de 3 h

Land of culture and tradition, Grenoble is a dynamic city formed by 2000 years of history.

Capital of the Alps, Grenoble has an unusual geographical situation. The city is at the crossroads of 3 massifs : the Vercors, the Belledonne range and the Chartreuse.

The 3 massifs overlooking the city invite you to relax, to discover and to practice sports.

Plateforme de 1200 m² destinée à l'accueil, la restauration et les expositions

Detailed description: The image is a 3D architectural cutaway of a conference center. It shows a central atrium with a red carpet and a stage area. Surrounding the atrium are several rooms: a large auditorium with 534 seats, a restaurant office, and several smaller meeting rooms. The rooms are labeled with names and areas: Mont Blanc (41 x 385 m²), Kilimanjaro (41 x 385 m²), Makalu (130 m²), Everest (50 m²), and Carvin (50 m²). The auditorium is labeled '1 Auditorium' and is described as a modular amphitheater with 534 seats and audiovisual equipment. The atrium is labeled '2 Atrium' and is described as a 1200 m² platform for reception, dining, and exhibitions. The meeting rooms are labeled '3 Makalu' and '4 Mont-Blanc'. The restaurant office is labeled 'Office de restauration'. The stage area is labeled 'Règle image lumière et son' and 'Cabines de production'. The atrium also features 'Cloisons mobiles' and a 'Monte charge'.

ICALEPCS 2011

What happened since 2005 ?

- Setup the core of the LOC (6 people)
- Evaluated + chose the conference site
- Sent editor to Icalpecs2009
- Created a logo + website*
- Present at Icalepcs2009 + Facebook

* <http://icalepcs2011.esrf.eu>

ICALEPCS 2011

PROGRAM

Actively identify speakers from our community

Parallel sessions - YES/NO ?

Invite speakers from outside

Robot competition

ICALEPCS 2011

IDEAS

First ISAC meeting to setup up tracks
can be done without travel i.e. email +
video conference

Face-2-Face ISAC and PC meeting 4
months before conference

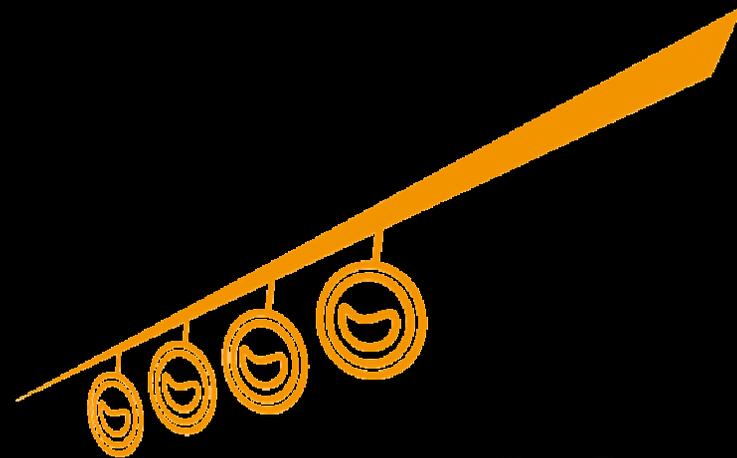

Promote students with a low-cost

Aperitif
à la française

«The aperitif is the evening prayer of the French.»

Paul Morand (1888-1976)
